"Frost/Nixon" and "Vicky Christina Barcelona"

Hey All,

Just wanted to let you know that there are two more entries to the *Movie Night Kit.* We just did *Vicky Christina Barcelona* last night, so it's pretty fresh in my mind, and I had plenty to say. We had a great discussion, although I left some things unsaid (as I wrote in the *Kit*).

Also, I've recently discovered that for some reason, the formatting got messed up in the *Kit* so that colons, semi-colons, apostrophes, and quotation marks all turned into question marks. Dunno why, but I'm fixing it slowly. You'll be able to tell the ones I've cleaned up as they have their titles italicized.

If you guys find this at all useful, please let me know by leaving a comment. So far, I've only been finding comments from web bots (they multiply like cockroaches). It would be nice to hear from a human being.

Until next time, peace,

Ted
