The site was getting spammed to death, so I've shut off anonymous users. If you'd like to post a comment, you can register (very easy, no commitment required), and then you can leave as many as you'd like. As long as it's not pr0n spam, or an ad for internet drugs or car insurance. Anything else is fair game.

To register, just enter our url and add "/user". So it would look like this: www.turnau.cz/user. Then just click on "create account" and fill in the blanks. Easy. And it'll take care of them dang robots!

Take care, all.

Ted
