Note to Restistered Users . . .

Hey All,

I'm still trying to figure out this blog architecture and how best to maintain this site so that every other comment isn't an ad for Viagra. Earlier, I tried to make comments available only for authenticated users. Turns out, bots can make users as well. So I've sorted through my list of people who've registered, tried to weed out the bots (those who logged on once and then left) from real people. I deleted all those who showed bot-like tendencies and unblocked the rest. If I accidentally deleted your account, I'm sorry. Feel free to re-register and leave comments.

Peace,

Ted
