Links Page is Up

Hi All,

I've spent a little time putting together a few links for this page. Most of the links are to my stuff you can find on the web. Just like Google, but I save you the time. There are a few that are to other places where cool stuff is happening (Damaris, Hollywood Jesus, The Row House). You'll find resources there, too. Hope you guys find it helpful. I'll add to it as I find stuff and have the time.

Peace,

Ted
