Absentee Bloglord Part Deux

Hey All,

I've been away for the summer. I'm back now, but it will be some time before I can get new movie titles added (on my hit list: No Country for Old Men, There Will Be Blood, and Into the Wild). I've got an ultra-busy fall semester. I've got 3 college classes (and one is a new prep), a high school class, and a winter-term seminary class on Popular Culture and Christian Worldview to teach in January. So please be patient. I also want to figure out how to make the Movie Night Kit more user-friendly (such as having a menu where you can click a letter and find all the movies starting with "A," and so on). Unfortunately, I don't know how to do that, and my friend and ex-student who does is really busy and in Italy. So be patient with that, too. Maybe someday.

Peace,

Ted
